

Dear Valued Customer,

ADALTIS have the pleasure to invite you during MEDLAB ASIA PACIFIC 2015 exhibition, in our booth **F42 Hall A**, at the Marina Bay Sand in Singapore (18-20 March 2015).

This year has been an exciting year for us. Many **new** products were presented. All products are available and ready for delivery. Many more will be released in the coming period.

Instruments

Personal LAB CLIA \ ELISA	Fully automated 2-plate microELISA analyser using colorimetric and chemiluminescence detection.
Eclectica TICA	Reliable immunoassay analyser, 100% re-engineered new version!
GEN-4	The newly styled, re-engineered fully automated 4-plate microELISA
Hemo One	Fully automated HbA1c Analyser, with Extra Diabetes diagnostics capabilities. All-in-one: ease of use, reliability, and fast time to result.

Reagents

Adaltis is proud to present several new reagents.

IMMUNOgen	Immunoassay reagents for our Eclectica –TICA analyser.
EIAgen	Adaltis line of microELISA assays, including a new range of Vitamins .
CLIAgen	The new chemiluminescence microELISA for our new CLIA, CLIA \ microELISA instruments.
Pchem Reagents	Adaltis product range of clinical chemistry reagents for Pchem analysers.
	* New - Reagents for Diabetic Testing with Hemo One system.

Innovation

ADALTIS R&D team is constantly bringing to the market unique and innovative products. The latest are:

EASY Line RAPID TESTS	EASYLine Rapid Tests include parameters for infectious disease, serology, virology and DOA. Our rapid tests are reliable and economic devices for diagnostic screening purpose or laboratories who do not have automation capabilities.
NEXgen Fully Automated 7 Microplate Analyser	NEXgen, the new, high-throughput ELISA platform for up to 7-microplates simultaneously processing, high speed pipetting, efficient throughput and labor saving advantages.
POC-100 MDx Platform for Multiplex Analysis	POC-100 is a novel MDx fully automated multiplex system for single sample testing, fully automated, providing fast sample-to-answer test results inclusive multiplex analysis.

To avoid any uncomfortable waiting, kindly arrange your meeting with us in advance. Please schedule your meeting via: <http://www.adaltis.net/support/sales-orders/schedule-meeting/>
We are looking forward to meet and host you at MEDLAB ASIA PACIFIC 2015 !

Regards,

Marco Spadaccioli
General Manager, Adaltis S.r.l.
